

PG DIPLOMA IN ENVIRONMENTAL MOLECULAR DIAGNOSTICS

Eligibility for Admission

- Bachelors degree in Zoology, Botany, Chemistry, Biochemistry, Microbiology Biotechnology / Environmental / Animal / Plant / Food Sciences, Dietetics & Nutrition, Bioinformatics, BE in Chemical Engineering & Biotechnology; B.Tech. in Biotechnology & Bioinformatics / Nanotechnology; BDS; MBBS; B.Sc. in Agri /Agri Biotechnology ; B.V.Sc., B.F.Sc., B.Pharm. and BPT.

Course Duration:

1 Year – (Non-Semester System)

COURSE : PG Diploma In Environmental Molecular Diagnostics		
MEDIUM : English		
COURSE CODE : 4037		
S.NO	PAPER NAME	EXAMINATION CODE
1	Environmental Micro Biology	GEMD01
2	Molecular Diagnostics	GEMD02
3	Environmental Forensics	GEMD03
4	Molecular Epidemiology	GEMD04
5	Practical –I Molecular Diagnostics	GEMDL1
6	Practical –II Molecular Diagnostics	GEMDL2

Scheme of Examination

Duration – 3 Hrs, Max. Marks – 100, Passing Min.- 35 Marks
